

Providence Church - 405 S. Bowie Dr.

A Mission Parish of the Reformed Episcopal Church

What do you believe about marriage?

Marriage is instituted by God, to the intent that “man and woman should live lawfully in a perpetual friendship, to bring forth fruit, and to avoid fornication.” Living together in marriage preserves a good conscience in both parties and bridles the corrupt inclinations of the flesh. For “God has strictly forbidden all whoredom and uncleanness” and punishes inordinate lust.

It is God’s intention that the Church of God and His kingdom, by this kind of life, be conserved and enlarged, not only in that God gives children by His blessing, but also in that they be brought up by godly parents, in the knowledge of God’s Word. Thus, the knowledge of God and true religion might be delivered by succession from one generation to the next.
